

HON® Audio/Visual Carts

are the perfect solution for conferencing and training room situations. A variety of shapes, sizes, and fixed or adjustable height models offer units that accommodate small or large audio visual equipment, including 36" television screens, slide and overhead projectors, VCR's and DVD players. Whether you choose units with shelves or cabinets or units with top or bottom storage carts, all are easy to assemble and designed to accept optional wire management accessories. All carts meet or exceed ABSI/BIFMA and ISTA performance standards and are covered by the HON® Limited Lifetime Warranty.
