S STOCKED in Metallic Grey

RTA READY TO ASSEMBLE NO TOOLS

30" Wide
29d" x 30w" x 73"h
5230SL \$344

72" Wide
29d" x 72w" x 73"h
5231SL \$570

All systems shown with optional components.

Highly flexible, heavy duty workstations by Datum are excellent for today's computer networking needs. The system is ideal for supporting several computers, terminals, and keyboards on one unit or a combination of units. The units are constructed of heavy gauge steel with a durable laminated work surface. Wire management system is standard with all units as is hardware to connect with other stations.
