

E-Z Sort® Mailroom Furniture

Safco's modular mailroom furniture was created with efficiency and flexibility in mind. Modular units can be used in any combination. Durably constructed of heavy gauge steel to withstand the everyday rigors of a busy mail room. Supports up to 500 lbs. on extra-thick 1½" steel legs and a 1⅛" thick wood laminate top with tough t-mold edges. Surface adjusts from 28 to 36" high to place users at the best working height. Includes shelf for additional storage space- 14" clearance and 150 lb. capacity. Supports one or more modules or can be used on a table for additional workspace. Features extra-wide 11" mail trays that form any combination of up to 25 compartments (adjustable in ⅞" increments). Includes 20 plastic compartment trays which feature a finger cut-out and label holders. All components feature a Gray baked enamel finish. Assembly required.
